Did You Know?

Monday, July 21 is “National Junk Food Day”?

Everyone can thoroughly celebrate & enjoy this holiday!

Thursday, July 31 is “National Chocolate Day”?

Have you heard of Oprah’s Big Give? The program aired earlier this year and challenged participants to come up with creative ideas to make a difference in someone else’s life.

Ruthie Mayfield, St. Matthews Branch Manager, recently sponsored Wilkerson Traditional School’s Big Give program. This program gave $1 to each of its 90 fourth graders and challenged them to take the money and find creative ways to raise additional money to help someone else. The fourth graders accepted the challenge and in a little over four weeks, raised over $1200! That’s amazing!

Here are a few of their stories:

- The top student raised over $300 by making water yo-yos and selling them at the local little league field. He donated his money to a neighbor who is undergoing chemo treatments.
- Another student raised $150 and purchased bibles for his Sunday school class.
- A third student raised over $150 for the Humane Society.

The most heartfelt story came from a student who solicited his family and friends for donations and then used that money to purchase shoes and socks for a classmate who had just moved to Louisville from Africa.

For more information, call Denise Martin at 2277, Becca Christensen at 2276 or Ruthie Mayfield at 2125.

Commonwealth Bank has always made community contributions a priority. Now, through the Big Give, you will have a voice in what charities and organizations receive a donation. If you accept the challenge and want to participate in CB&T’s Big Give, please see the insert for more information and guidelines. Doing More Is What We Do Best!

Plus, the top three donors through the Big Give program will receive a $50 gas card!

For more information, call Denise Martin at 2277, Becca Christensen at 2276 or Ruthie Mayfield at 2125.

Sign Up Today for CB&T’s Big Give!
A Note From Jim

How exciting it is to be at Commonwealth Bank & Trust in June of 2008, to be part of a team focused on serving the customer and building the Bank! I want to congratulate each of you on your performance in the last few months. Successful months as we’ve experienced in April and May don’t just happen. They take the concerted efforts of each of us, every day, to meet and exceed the goals we have set for ourselves. It’s one thing to put good scores on the scoreboard when the economy is pumping and the market is excellent. It’s another to continue to put solid runs up—even when the market is down, the mortgage industry is struggling, the media keeps talking about a weak economy and the politicians discuss whether or not we’re in a recession. If we can perform well now, given the current environment, we will run away from the field when economic conditions improve! Our plan for success will continue to give us positive results by the end of year, if we stay on target and want to do business with us, no matter what external factors are out there.

We should all be proud of the numbers we are posting. Together, we’ve hit our stride. The competition out there is fierce with everyone trying to grab a bigger piece of market share. As simple as the formula is, not many banks are successful in putting it all together. We understand we are stronger as a team than as individuals. We understand how to balance our goals, our focus on serving the customer and building the Bank! I want to congratulate each of you on your performance in the last few months. Successful months as we’ve experienced in April and May don’t just happen. They take the concerted efforts of each of us, every day, to meet and exceed the goals we have set for ourselves. Stop the Presses!!! Stakeholders Posts Back-to-Back Home Runs

Following an impressive April, May set another record month for CB&T, pushing our expected Year-To-Date payout from 1.5% to 2.70%. Just in time too, with the scheduled midyear payout coming in July, based on our June results. We have to keep our mind in the game if we want to maximize this payout.

Check out the stat sheet for May:
- All four balance categories (loans and deposits) are ahead of budget
- Past dues at .88% landed us in hurdle 10
- Net Charge-Offs improved 4 hurdles due to some fancy coaching by Loan Collections
- Mortgage Net income jumped up 27 hurdles
- Trust showed nice improvement in May and has several new strategies to bring them to baseline

And now for the rest of story.....forecasted results by the end of year, if we stay on target with budget, project us hitting one out of the park with a 5.1% payout. That’s not peanuts, folks! The game is just getting started, we have our best team ever on the field, and we know how to swing the bat.

You know what you can do to help! Keep bringing in the referrals. Keep the customers happy. And keep errors to a minimum!

Ready, Set, Start Walking!

Our Walking Club Committee has been busy planning an exciting kick-off for the Commonwealth Walking Club. On Tuesday, July 8th at 12 noon, we will kick-off our Walking Club for our Jefferson Co. employees with an informational luncheon in the 42 bldg community room. On Thursday, July 10th at 8:00 am, we will kick-off our Walking Club for our Shelby Co. employees with an informational breakfast at Shelby Main. During these first meetings, we will unveil the first “Walking Challenge” and the prizes you will be eligible for by completing this challenge.

At other informational meetings, we will have speakers to discuss the proper fit for walking shoes, proper walking style and nutrition. Watch for upcoming emails with more detailed information on these kick-off meetings.

If you can’t make it to one of the kick-off meetings, but are interested in participating, we’ll make sure you get the needed information to get started.

401(k) Plan Addition and Change

We are pleased to announce two changes to our Commonwealth Bancshares 401(k) Plan. These changes were made to enhance our plan, making it a more valuable tool for you as you plan for your retirement.

The first change is an addition to the investment fund options. An index fund was added to the International Category of fund offerings in our plan. Previously, our only international stock offering was the UMB Scout Worldwide fund (UMBFX). Based on a recommendation from our Investment Committee, we have decided to add the Vanguard Developed Markets Index (VDMIX). An index fund is a good option for an investor who prefers not to use active management. In addition, this gives investors who are not satisfied with the performance of the UMBFX fund an alternate international investment vehicle. We are pleased to add this new investment choice and believe our current 14 investment offerings an optimal number of choices for you as you plan for your retirement.

The second change to our plan is very exciting and enhances the return for investors who desire to allocate a portion of their retirement funds to a money market fund. The Goldman Sachs FS Federal FST has previously been the money market fund choice in our plan. The Trust division has adopted a new proprietary money market vehicle, Commonwealth Institutional Money Fund (CIMF), to replace the taxable Goldman Sachs money market fund. We believe this is a superior option because the CIMF will offer an increased yield equivalent to the Goldman Sachs fund plus .15%, and also features FDIC insurance on balances held in the CIMF.

The 401(k) plan is an excellent way for you to save for your retirement. There aren’t many places that offer you 100% return on investment on contributions up to 4% of your annual salary. Please take this opportunity to consider an increase in your contribution level. For anyone who wishes to begin contributing at this time or to change their current deferral rate, contact HR for a change deferral form.

If you wish to review or change your current fund allocations, or make changes to your future allocations, please visit Retirement Direct’s website. You can access this website using the web link on the Intranet. If you need password assistance, please contact Debbie Rodriguez.
Shelbyville Horse Show Full of Activities

The 2008 Shelbyville Horse Show Jubilee kicks off with exciting, pre-show activities, beginning July 24th with the Kick Off Breakfast. The Horse Show Jubilee continues with Art Shows, a 5K Walk and kids activities until the Horse Show officially begins July 30.

As in the past, Commonwealth Bank will be very involved with the festivities. The Bank is officially sponsoring the Street Party Concert beginning at 7 PM on July 26. The evening will include a Downtown Sidewalk Sale and Antique Car Show, all while Leo Night and the Moonlighters play their music.

The first Horse Show competition events begin on Wednesday July 30 and go through Saturday night, August 2. For a complete list of all of the activities going on during this exciting time, please contact Belinda Nichols or visit www.shelbydev-corp.com.

CB&T Helps out Local Youthbuild Participants

Retail Administration put together goodie bags for 12 Youthbuild Louisville participants who traveled to the Gulf area recently to help rebuild homes damaged by hurricane Katrina.

Youthbuild Louisville is an education based program in the Louisville Metro Area that sponsors construction and environmental projects for at-risk youth, giving them an educational and vocational kick-start for their futures. Alan Kissel, Manager of Retail Banking, is on the Board and the organization is a Trust Customer. This award winning program receives funding from a variety of sources, including Commonwealth Bank & Trust and the Department of Labor.

What do you like most about your job?

The people that I am fortunate enough to deal with including the customer, other professionals associated with a project and my peers. Last but not least, since all deals are not the same, it's a continuing education.

Greatest accomplishment at CB&T?

Being able to generate, service and monitor a profitable portfolio, with the assistance of competent administrative assistants.

Words of encouragement you have for coworkers:

This is a very good place to work, just do your job and good things will happen.

Personal Information:

Married to Becky for almost 25 years and have one son and three granddaughters. I'm a member of the Middletown Lions Club and an Elder/Deacon in the Hurstbourne Christian Church.

Branch Capture Is Here!

What are Branch Capture and Check Image Exchange? Well, both of these related projects involve the conversion of paper documents from customer transactions (checks, deposit and withdrawal tickets & general ledger tickets) to an imaged format. The team first implemented Check Image Exchange. This involved working with our Item Processing software vendor (Bankware) to convert our daily outgoing cash letter to Chase from paper documents to an imaged file that is now electronically submitted. This change allowed us to receive credit more quickly from Chase for many of the deposited items, which increased our deposit availability and saves the bank approximately $27,000 per year. After this was implemented, the team also implemented the receipt of the daily in Clearing items from other banks to an imaged format.

After Check Image Exchange was in place, the team started the Branch Capture project. The team installed scanners and trained all branches to scan their daily customer transactions and transmit the imaged documents to our Item Processing department. The work is balanced and then transmitted to Chase via the Check Image Exchange process noted above. This results in estimated savings of over $80,000 in courier costs annually. The bulk of the courier savings is due to the courier no longer having to carry reconstruction insurance on our items if they were potentially lost, damaged or stolen en route from the branches to the Operation Center.

Of course, the primary employees affected by this new endeavor are branch personnel, who now have assumed the responsibility for scanning all of their work. Retail Banking's positive attitude and teamwork regarding these projects has been tremendous! We thank you all for your efforts in achieving these savings.

The PEST Committee is excited to announce a new incentive program that will reward employees who make money saving suggestions that are approved and implemented by the Bank. In the new program, employees will continue to make their suggestions to the PEST Committee. Suggestions that are approved and create actual money savings to the Bank become eligible for the incentives listed below which are based on annual savings. Payout of the incentive will be made after the suggestion has been implemented and savings has been verified. Here is how the new program works:

Employees will receive an incentive reward for each PEST Recommendation submitted, approved, and implemented by the PEST Committee, resulting in hard dollar savings to the Bank. Soft dollar savings are not eligible for this program.

1.) The Incentive reward will be a tiered level reward based on annualized savings of the recommended project approved by the PEST Committee.

<table>
<thead>
<tr>
<th>Calculated Savings</th>
<th>Reward</th>
</tr>
</thead>
<tbody>
<tr>
<td>$0 - $5,000</td>
<td>5% of Annualized Savings</td>
</tr>
<tr>
<td>$5,001 - $10,000</td>
<td>7% of Annualized Savings</td>
</tr>
<tr>
<td>Greater than $10,000</td>
<td>10% of Annualized Savings</td>
</tr>
<tr>
<td>Recurring savings for CB&amp;T</td>
<td>15% of Annualized Savings with a one time payout</td>
</tr>
</tbody>
</table>

2.) Payments will be made to the referring employee after Finance quantifies and verifies the annual savings. Employees must be employed by CB&T at the time the incentive reward is dispersed. Payments are one time payouts based on one year's annual savings to the Bank.

3.) All employees, except current PEST Committee members and Executive Management, are eligible for incentive reward.

4.) When a recommendation is submitted by more than one employee to PEST, and subsequently approved, the employee delivering the recommendation to the PEST email address first will receive the incentive reward.

Please email the PEST Committee email address with any questions about the program. We are looking forward to hearing your suggestions!

CONNECTIONS Corner
Lunch and Learn Refresher Course

We are officially half way through our first year on Connections. Congratulations on a job well done! Understandably, questions arise as you start using the system. Additionally, those in non-sales positions that don’t use the system regularly get a little rusty when they go in to record their referrals. Not to worry! We will be conducting a refresher session for anyone who is interested. Bring your lunch and get the latest information about Connections. For those that can’t get away from the office, we have set up a conference call line so you can still get the information while at your own computer. Please contact Sherry Varner, Rebecca Christensen or Denise Martin with questions.

Employees Lend a Hand To Local Ministry

Commonwealth Bank employees volunteered their time on Saturday evening, May 31, to help out with a live and silent auction benefiting Eastern Area Communities Ministry. Barry Osburn was the live auctioneer for the event. Kim Lincoln, Bonnie Meiman, Chuck Harper, Becca Christensen, Diane Scrogham and Pam Tamme all lent a hand in checking out the bidders after the auctions had ended. The event brought in over $60,000 for the Ministry - the most successful event for the ministry to date. Many thanks to the bank volunteers for all of their help!
Relay For Life a Huge Success

Shelby County Relay For Life has come and gone again. The East Branch would like to take a moment to thank everyone for their time and donations. The East Branch raised $1,500 to help find a cure for cancer. Commonwealth Bank stood out among the crowd with our bright green t-shirts, thanks to Belinda and Marketing! A good time was had by all, from the “get your chili dog here” chants, to all of our good conversations. Thank you again for making this year’s “Relay For Life” another successful event.

Kelly Perry, East Branch, enjoyed the festivities.

CB&T Sponsors Art In The Arbor

NELBA (North East Louisville Business Association) hosted its 40th Annual “Art In The Arbor” over Mother’s Day weekend. The Art in the Arbor Festival is located on the beautiful wooded grounds behind Thomas Jefferson Unitarian Church. With over 100 artists’ booths, nearly 8,000 visitors mingled throughout the weekend.

Leslie Underwood, Springhurst Branch Manager, and Chuck Harper, Glenridge Branch Manager, both participated in the festivities as NELBA members. In addition, CB&T sponsored several Artist Award Ribbons. Chuck and Leslie had the honor of presenting two of the awards to the artists.

Chuck Harper, Glenridge Branch, presented a Merit Award to local artist Audrey Schultz

Leslie Underwood, Springhurst Branch, presented a Merit Award to local artist Joe Schmidlin

Softball Anyone?

We are still looking for any employees who are interested in joining the Commonwealth Fall Softball Team. As of now, we do not have enough members to make up a team, but we still have time to recruit players!

If you are interested in playing this year, please contact Donna Bone, Glenridge ext. 2066, or Jennifer Larimore, IT ext. 2766, for more details and to sign up.

If we have enough members to make up a team, CommonKnowledge will keep you updated. All scores and games will be posted in this newsletter!

Extreme Checking

Commonwealth Bank & Trust is excited to announce our newest Checking Account product - Extreme Checking! Beginning July 21, customers will have the option to open this exciting new checking account with some amazing benefits!

Customers with this checking account receive the following perks:
• ATM Fee Refunds - Worldwide! We refund both the other bank’s fee and our fee; up to $25 per month.
• An interest rate of 5.25% APY on balances from $0.01 to $25,000. Balances over $25,000 receive a rate of 1.01% APY.

To receive these perks, all the customer has to do is:
• Have 10 posted debit card purchases on their account during the cycle.
• Have 1 direct deposit or ACH auto debit from their account.
• Enroll and receive e-statements.

This account is great for customers who travel, use ATMs often, or would like to receive the best interest rate on their checking account. Because of the ATM fee refunds, we will be attracting customers from outside of our typical market area, along with customers of the “big” banks looking to move their business to a stable, community bank.

The Extreme Checking Account will be a huge success for CB&T and we are so excited about launching it! Look for more details in the following weeks.

Extreme Checking Qualifications Per Cycle:
• Have 10 Posted Debit Card Purchases
• Have 1 Direct Deposit or ACH Auto Debit from your Account
• Enroll and receive e-statements

*Extreme Rate 5.25% Annual Percentage Yield (APY) paid on balances between one penny and $25,000, and 1.01% APY paid on all amounts above $25,000 each cycle the minimum qualifications are met. If you do not meet the qualifications per cycle, your account will still function as a free checking account earning Base Rate 0.10% APY; however, you will not receive ATM fee refunds for that time period. Rates as of July 21, 2008. We may change the interest rate and APY at any time after the account is opened. No minimum balance required; however, you must deposit $100 to open this account. Available to personal accounts only. No monthly service charge. **ATM fee refunds up to $25 per cycle when qualifications are met. Extreme Checking - Patent Pending. BancVue. Member FDIC.
Family Fun Day a Huge Success!

Our Annual Family Fun Day was held on Saturday, June 21st, at Cedar Ridge Camp. Employees and their families who attended had a great time participating in the scheduled activities and visiting with friends and co-workers. Shane's Rib Shack provided a wonderful meal enjoyed by all. Many of our guests sported face painting, provided by Susan Christensen, Rebecca's mom.

Thanks to Gordon Vogel, who provided cornhole games, and Paula Bova, who coordinated the teams. The tournament was a big success. At the end of the day, Debbie Warren and her husband Dan were the winners of the tournament. Congratulations to them for their expertise.

The raffle prize, a cornhole game built by Gordon, was won by Leslie Sampson’s husband, Jeff.

Thanks to the People Committee and other generous employees who were involved in coordinating this event. We couldn’t do it without you.

It’s A Double Issue!

Summer has finally arrived! This great time of year brings lots of fun, family activities, pool days and hopefully a vacation. Because everyone gets busy this time of year, and some are on vacation, this issue will be both our June and July CommonKnowledge edition. The People Committee will still be accepting all of your ideas and articles for the upcoming issue. The deadline will be Friday, August 15th. We will be distributing the next newsletter at the end of August.

We hope everyone has a safe, happy summer. Try to stay cool and enjoy. We’ll see you in August!

Fund For The Arts Campaign a Big Deal at Commonwealth!

Commonwealth Bank has always been very involved with The Fund For The Arts, and 2008 was no exception! 116, or 52%, of Bank employees participated this year. All donations totaled $18,771, putting Commonwealth Bank in the number 40 slot in Louisville company campaign donations.

Many thanks to Chris Beneke and Hollie Still for running the campaign this year. Congratulations to all who participated!
