Educational Field Trips Are Available In Your Area *Free!*

Check out our available trips that are sure to inspire your kids this year!

Whether you are working with students or scouts, inspire those around you with hands-on experiences! Our field trips get kids involved in a fun, new way.

Whether tasting a fruit for the first time at your local grocery store or discovering the world of color at an arts and crafts store, experiential learning increases retention by 85%.

Choose from a variety of trips that:

- Help meet badge requirements
- Offer hands-on activities
- Are free and convenient
- May be within walking distance
